ABOUT ME

I am a dedicated and hardworking individual, currently pursuing a Bachelor of Science in Information Systems at Singapore Management University (SMU). My passion for excellence drives me to be diligent, detail-oriented, and constantly seeking new challenges beyond my comfort zone.

Currently, I am exploring various sectors of IT to stay adaptable and make a meaningful impact in this dynamic field. I thrive on pushing boundaries and welcome opportunities to grow both personally and professionally.

EXPERIENCE

(May 2021 – Aug 2021)

Cyber Vulnerability Researcher

Centre for Strategic Infocomm Technologies (CSIT)

- Leveraged reverse engineering expertise to identify and understand the root causes of vulnerabilities, enabling the creation of targeted POCs for vulnerability assessment.
- Successfully developed impactful proof-of-concept (POC) to showcase security implications of identified vulnerabilities, providing actionable insights for mitigation.
- Actively contributed to the improvement of software security by providing detailed vulnerability reports and recommendations based on research and POC outcomes.
- **Key achievement:** Internship project endorsed by mentor and honored with distinction by the school.

EDUCATION

(Aug 2022 – Apr 2025)

Bachelor of Science (Information Systems)

Singapore Management University (SMU)

- June 2023 | Participated in DSTA's BrainHack CODE_EXP and emerged as finalists.

(Apr 2018 – Apr 2022)

Diploma in Cyber Security & Digital Forensic

Nanyang Polytechnic (NYP)

- Cumulative GPA: 3.95
- Awarded Diploma with Merit
- Awarded CSIT-Nanyang Scholarship
- Director's List for 5 semesters
- Distinction Grade for 10 modules

CERTIFICATIONS

- Google Data Analytics Specialization (Grow with Google on Coursera)
- Google Project Management Specialization (Grow with Google on Coursera)
